RESOLUTION NO. _____

RESOLUTION URGING THE FLORIDA LEGISLATURE TO
ENACT SB 438, HB 211, OR SIMILAR LEGISLATION
PROMOTING AND PROTECTING SMALL BUSINESS
PARTICIPATION IN STATE CONTRACTING

WHEREAS, bills have been filed for consideration during the 2016 session of the Florida Legislature, Senate Bill 438 (“SB 438”) by Senator Dwight Bullard (D – Cutler Bay), and House Bill 211 (“HB 211”) by Representative Hazelle P. “Hazel” Rogers (D – Lauderhill), respectively, that intend to promote and protect small business participation in state contracting; and

WHEREAS, SB 438 and HB 211 require that Florida state agencies, when awarding contracts, shall, to the maximum extent practicable, structure agency contracts to facilitate competition by and among all small businesses in the state while taking all reasonable steps to eliminate obstacles to their participation and avoiding the unnecessary and unjustified contract bundling that may preclude small businesses’ participation as prime contractors; and

WHEREAS, contract bundling, as defined in SB 438 and HB 211, is the consolidation of contracts for the procurement of commodities or contractual services, at least part of which may be provided or performed by one or more small businesses, into a single contract that is not appropriate for award to a small business as the prime contractor; and

WHEREAS, contract bundling has a negative impact on small business participation in state contracting; and

WHEREAS, SB 438 and HB 211 seek to minimize the occurrence of contract bundling by requiring state agencies to conduct market research to determine whether contract bundling is necessary before issuing a solicitation for a bundled contract; and

WHEREAS, SB 438 and HB 211 require Florida state agencies to annually award to small businesses, either directly or indirectly as subcontractors, at least 35 percent of the total dollar amount of contracts awarded; and

WHEREAS, SB 438 and HB 211 also require that each state awarded contract for commodities or contractual services must require that the vendor use small businesses in the state as subcontractors or subvendors; and

WHEREAS, SB 438 and HB 211 further require that vendors contracting with the State may not expend less than 35 percent of the gross contract amount in subcontracting with small businesses in the state; and

WHEREAS, SB 438 and HB 211 additionally require that vendors contracting with the State and subcontracting with small businesses in the state include provisions in the contract to protect the subcontractor, such as requiring that payment from the owner and general contractor be paid to subcontractors within 12 calendar days after receipt of an invoice or other proper claim for payment; and

WHEREAS, the enactment of SB 438 and HB 211 will protect and promote the growth of small businesses across the state; and

WHEREAS, this Board believes that promoting and protecting small businesses in Miami-Dade County is vitally important to support the growing local economy; and

WHEREAS, during the 2015 state legislative session, this Board passed Resolution No. R-182-15, which urged the state legislature to pass similar legislation promoting and protecting small business participation in state contracting; and

WHEREAS, this Board would like to express its support for SB 438, HB 211, or similar legislation promoting and protecting small businesses' participation in state contracting,
